

## MUSIC AT ST JAMES', KING STREET

Our 2015 programme encompasses our regular liturgies and a wide range of daytime and evening concerts involving world-class musicians from both within and without our own Music Department.

Over the coming year we look forward to new partnerships with [The Australian Haydn Ensemble](#) and [Yvonne Kenny](#), whilst furthering existing alliances with [Australian Baroque Brass](#) and [The Idea of North](#), among others.

The weekly Choral Evensong on Wednesday evenings enhances our mid-week ministry to the city at the end of the working day, one which complements our ever popular Wednesday [Lunchtime Concert](#) series.

All this means that we need your support, and to this end I encourage you to support the work of the [Music Foundation](#), and to become a [Friend of Music](#), so that we may continue to share the gift of music with current and future generations.
