

THE ST JAMES' FOUNDATION

The St James' Foundation Ltd manages two charitable trusts that assist the Parish of St James' with its music ministry and the maintenance and preservation of the church building.

The St James' Music Foundation

The Music Foundation provides financial assistance to the Parish to enable production and performance of:

- a. Sacred and secular music with a particular focus on choral and pipe organ music,
- b. Sacred and secular dramatic works and artistic performances, and
- c. Sacred and secular performances of dance and movement, at or in association with the Parish of St James'.

The Music Foundation allows two kinds of donations; those toward current expenditure and those toward capital. Donations toward current expenditure are intended for immediate use. This is the way that people support the orchestral masses and other projects. Donations to the capital are invested and the income distributed to the Parish. Donations to the music foundation are tax deductible.

St James' Church Building and Property Foundation

The Building Foundation provides financial assistance to the Parish for:

- a. The restoration, preservation, maintenance, improvement, enhancement and upkeep of the church building, its fixtures, fittings and ornaments, and
- b. The preservation, protection, maintenance, improvement and enhancement of any property which the Trustee determines is or could be trust property of St James'.

The Building Foundation is principally a capital fund, the income of which is distributed to the Parish. Donations to the Building are not tax-deductible.

Donations and Bequests

These two foundations are vital for the ongoing ministry of the Parish. You are therefore encouraged to consider making either a donation or bequest to them. A brochure giving details of how to do this is available in the Baptistry or in the Parish Office.

DISTRIBUTIONS

Recently the Directors of the St James' Foundation reported on the following distributions that have been made to the Parish over the past year. Distributions from the St James' Music Foundation include earnings from invested capital (Distributions) and donations for current activities. Distributions from the Building and Property Foundation are from invested capital only.

The St James' Music Foundation 2015

The St James' Building and Property Foundation Distribution

MONTH	AMOUNT
Dec 15	40,000

SUPPORTING MUSIC AT ST JAMES'

The St James' Foundation Board and the Parish Executive have been working recently to address a number of matters that have created disagreement in recent months. Resolution has now been brought about on a number of matters and there is a desire to create a more positive way forward, which is good for everyone.

To this end, the following announcements are made:

Orchestral Masses

Donations in excess of \$40,000 have been provided through the Music Foundation for the 2016 Orchestral Masses, which is the best result ever.

The Foundation is pleased to announce that it has reinstated the ability to make tax-deductible donations for the Masses through the Current Activities Fund.

Choir Tour 2016

This year the Choir will tour the United Kingdom, France, Austria and Italy. It will be an expensive activity and will need to be funded from a number of sources. The Choir members themselves will be contributing significant funds toward the Tour, and will also be conducting a series of fundraising activities to support it.

Contributions will also come from the Parish, the Friends of Music and the St James' Music Foundation. Corporate sponsorship is also being sought as well as from a number of private sponsors.

The St James' Music Foundation has established the Choir Enhancement and Development Reserve through which Tax-deductible donations can be made toward support of the Tour.

Donations

Please use the attached leaflet to make donations to the various funds of the St James' Foundation.
