

## **FURTHER INFORMATION ABOUT BAPTISM**

### **Adult Baptism**

Adult baptism requires a period of time spent in worship, learning and getting to know clergy and the community.

Baptism at St James' is usually during a Sunday Eucharist, at 9:00am. The presence of other Christians reminds us that in being baptised one is joining the church. Private baptisms are still done from time to time as well.

### **APPLICATION FOR BAPTISM**

If you are interested in baptism for your child or for yourself, please click [here](#) to download an application form.

Alternatively you can contact the Parish office:
